FROM THE PRINCIPAL

Dear Parents/Carers

Year 6 Students: Aveley Secondary College

Last Thursday 30 May, the Year 6 students had the opportunity to listen to Associate Principal, Bev Day from Aveley Secondary College tell them about how to enrol at the school and other details. I know many of the Year 6 students are feeling both excited and apprehensive. Great times ahead for the Year 6 students as they start their transition to secondary school. Parents - can you make sure you meet all the enrolment deadlines so your child's start to secondary school is smooth, and to avoid anxiety for your child.

DEPUTYS' DESK...

Influenza

Influenza (flu) is a common, highly contagious virus that affects the respiratory system. Recently, we have had confirmed cases of Influenza within the school community. Getting the flu vaccine is your best protection against the flu. We urge all parents/caregivers to seek medical attention if anyone in your family develop flu-like symptoms. It is important that students who are unwell stay at home until they are feeling better or cleared by a Doctor. Attached is an Influenza fact sheet for your information.

Kind Regards
Penny Reynolds, Luke Birnie, Lisa Salleo
Deputy Principals

POSITIVE BEHAVIOUR SUPPORT. . .

The Behaviour Focus for weeks 7 to 10 at Malvern Springs Primary is:

Be Responsible- Starting work straight away.

What is Responsibility?

Being responsible means you do the things you are expected to do and accept the results of your actions. Teachers will be explicitly teaching the importance of starting tasks straight away.

In primary school students have the opportunity to develop their sense of responsibility when they are held accountable for their things, their work and their actions.
